

DEVÍ DURGA LIFTING SOLUTIONS

Expert in construction, Industrial and Infrastructures Cranes & Hoists

Your Safety is Our Concern....

Dear Sir,

Devi Durga Lifting Solutions is established in 2017 by Mr. Dulal Chakraborty with registered office at Durgapur, West Bengal.

Company started working with a few persons in South India and done some exceptional work for a company to complete a very critical job in an ongoing cement plant near Madurai, Tamilnadu. Done dismantling of a Potain MCi 85A/B internal tower crane in an ongoing shopping mall near Vellachery, Chennai. Now we are having around twenty qualified persons working in different cities of India. We are providing a high quality, safe and standard work as per working application for our valuable clients like Shapoorji Pallonji, URC, NCCCL, Cicon, Gannon Dunkley etc. We hope to get repeated business from our clients with whom we are working. Mr. Dulal Chakraborty use to present on the work site wherever goes on to complete the work safe and securely. On time safely completion of any work is our first priority.

About our Managing Director....

Mr. Dulal Chakraborty is having vast experience on the field of lifting equipment. He has worked in **Zoomlion Heavy Industry and Technology Company Ltd** as a Service Coordinator for a long time. During working in Zoomlion has worked for many big companies like Reliance, LNT, NCCL, JMC, BL Kashyap, K Raheja and more.

We do the following works.....

1. Inspection of materials before erection of any machinery.
2. Foundation of lifting equipment such as Tower Crane, Passenger cum Material Hoist, Builder Hoist, Suspended Platform and Mast climbing platform.
3. Erection and dismantling of all above lifting equipment.
4. Troubleshooting of all lifting equipment.
5. Manual dismantling with different methods by providing approved drawing of the whole operation to be done along with job specific method statement, lifting plan and other required documents.
6. Provide on field and official training with PPT to all the staffs related to Tower Crane safe operation and maintenance.
7. We take AMC (annual maintenance contract) for all above machineries by deploying experienced operator, Signaller and technician for safe and sound operation. By doing on time maintenance we use to increase the life of all major and minor spare parts of the machine.
8. We repair all electronic items such as VFD, PLC, Electronic cards etc.
9. Programming of PLC, VFD of Tower Crane, Passenger Hoist and other machine.
10. We supply experienced operators, helpers, signaller and engineers.
11. We provide consultation to choose proper location and perfect model of machine for particular application.
12. We provide working methodology along with drawing for anchorage, overlapping etc.
13. **We supply spares parts for all brands of tower crane, passenger hoist and builder hoist.**

Salient features of our organization:

1. On time completion of given work.
2. Safe and secure working culture.
3. Time to time communication with client representative.
4. Planning as per the application of work.
5. Submit methodology of day to day work.
6. To make a friendly working environment with the client for repeated business.
